Think you love craft beer? Think you could taste more than three dozen brews per week and separate the magical from the "meh"? That's exactly what Jon Richards, a Cicerone Certified Beer Server at The Growler Station in Greenville, S.C., does in order to educate others for a living.

Courtesy Goose Island

Richards, who claims he eschewed beer until the age of 25, when he consumed his first pint of craft suds, told ABC News that the best part of his job is helping others discover something new.

"That moment, when you see someone's eyes light up, like, 'Hey, this is really good!' is one of the best feelings," he said.

honor of National Beer but should definitely
