Jessica Rauch, 35, has a boyishly straight torso and yearns for longer legs. Mid-rise boot-cuts and skinnies worn with nipped-in tees fit the bill.

Slim, higher-waist jeans and a thick belt make her appear leggier.

The high rise is elongating, and a drawstring-detail tee gives her waist definition.

**THE BEST T-SHIRT BRA EVER:** Bra lines aren't as bad as party lines, but they ain't great. The Barely There Invisible Look Wirefree bra (\$33; [barelythere.com](http://barelythere.com)) is undetectable under the thinnest tees. Fashion director Audrey Slater swears by it—so will you.
