FRIENDS FEAR IT WILL END IN DEATH

DID ROSARIO'S MOM LICK HER AS PUNISHMENT?

YES! Your parents would give their toughest child a lickin'—but not actually lick them! But Rosario Dawson's mother, Isabel, had her own idea. "If I didn't lotion, she'd lick the side of my face or under my armpit," she told *The New York Times*. "It was humiliating and really intense. It's not spanking, but it definitely works."

◀ HER MOM IS TOUGH

"She's a six-foot-tall Amazon," Rosario says about her mom.

WAS ROB TOO TAN?

YES! Who doesn't love the look of a gorgeous man with a tan? Apparently, the folks at Rob Lowe's TV drama, *Brothers & Sisters*. "I got a phone call from the president of ABC, who said, 'You're getting too dark,'" Rob said on the February 27 episode of *The View*. "Seriously, stay out of the sun!" I go, "I'm not tanning. I'm active. I surf and I kayak."

ROB'S LESS GOLDEN

He admits that he now wears sunscreen and a hat outdoors.

DOES JEN WANT TO BE A BOND GIRL?

YES! Jennifer Aniston admits that she has grown tired of playing the girl next door. "I get offered funny, quirky, peppy roles," Jen complained in *U.K.'s Elle* magazine. "I'd love to do an action movie. James Bond. Glancee. Daniel Craig. Loads of fun."

◀ JEN WANTS ACTION

Unfortunately for Jen, her next two films in development, *Traveling* and *The Bachelor*, are romantic movies.
