Your Shapewear PROBLEMS SOLVED

Look your best in your dress with bras and shapers that create curves you want (and smooth out ones you don't).

Convertible for fuller chests

Silicone-lined seams help it stay put!

Parade
Two cotton-polyester mesh straps. List, \$18. Intimately available only for store.

PROBLEM I have a one-shoulder dress, and my chest is too big to go braless.

SOLUTION A strapless bra that goes up to an H cup—and works as a one-shoulder, one-piece or halter.

Invisible slimmer

Stretchy nylon won't cling to fabric.

Slimliner
Nylon-control briefs. \$19. Intimately.com

PROBLEM My shaper shows through my dress.

SOLUTION Shorts that come in 10 shades to match a range of skin tones. Both buff to muscle.

Plunge-back convertible

PROBLEM My dress is cut superlow in back.

SOLUTION A strapless bra that slips way down in back. Supportive boning keeps perfectly in place.

All-in-one smoothing slip

Plie
"Control Body Tube" cotton-gasat shapewear. \$50. loveyourshape.net

Seam-free, so no VPL!

PROBLEM I need a total body fix.

SOLUTION A cotton shaper with woven panels that control tummy and thighs while boosting chest and behind.

Push-up bra & control briefs

The deep-V is great for revealing necklines!

Donna Karan
"Fusion Avenue" nylon dress bra. \$34 and listed. \$68. Lord & Taylor. (800-225-3441). lordandtaylor.com

PROBLEM I want pretty-looking shapewear.

SOLUTION A stylish underwire bra that pushes and lifts, plus a retro brief paneled to flatten your tummy and lift your bottom.

WHAT'S YOUR SHAPEWEAR SECRET?

"Spanx tights fit me perfectly, and they're superwarm!"

Michelle Trachtenberg

"Commando's Low Beams nipple concealers are amazing for when I want a smooth look."

Mia Long

"Victoria's Secret chicken outlets. I have the ones that pull your cleavage together and the ones you stick in your bra for lift!"
